Maryland American Water Announces Launch of American Water Charitable Foundation 2024 Water and Environment Grant Program

Bel Air, MD – February 14, 2024 – Maryland American Water is delighted to announce the launch of the American Water Charitable Foundation 2024 Water and Environment Grant Program. To streamline the grant experience for its community partners, the Foundation has combined Maryland American Water's former Environmental Grant Program with its Water and Environment Grant Program. This strategic integration will strengthen the Foundation's charitable focus and impact across American Water's footprint.

"We are proud to continue supporting community organizations that share our commitment to the environment and protecting these invaluable resources," said Jeffrey Barton, Manager of Operations, Maryland American Water. "By collaborating with the American Water Charitable Foundation, this updated grant program will strengthen our ongoing support of environmental stewardship and will assist our community partners who are engaged in improving, restoring and protecting our natural resources through community-based environmental projects."

The Foundation invites community partners to apply for grants that promote clean water, conservation, environmental education, climate variability and water-based recreation projects. Applications will be accepted from organizations served by American Water and located in the following states, in addition to its Military Service locations: California, Hawaii, Illinois, Indiana, Iowa, Kentucky, Maryland, Missouri, New Jersey, Pennsylvania, Tennessee, Virginia and West Virginia.

"The American Water Charitable Foundation is proud to work collaboratively with Maryland American Water and launch the Water and Environment Grant Program, supporting impactful initiatives and programs across the nation," said Carrie Williams, President of the American Water Charitable Foundation. "Our charitable focus to Keep Communities Flowing empowers communities to learn how every drop counts while engaging local organizations on the importance of protecting this vital resource."

The Foundation supports three pillars of giving – Water, People and Communities. Since 2012, the American Water Charitable Foundation has invested $15.5 million in funding through grants and matching gifts that positively benefit the communities where American Water and its employees live and work.
