American Water Now Accepting Applications for 2024 Inclusion and Diversity Scholarship

Awards totaling $100,000 will be distributed nationwide to students continuing education

CAMDEN, N.J. – DECEMBER 18, 2023 – American Water (NYSE: AWK), the largest regulated water and wastewater utility company in the U.S., announced today that it is accepting applications for its 2024 Inclusion and Diversity (“I&D”) Scholarship. Awards totaling $100,000 will be distributed nationwide to students within America Water’s national footprint, continuing their education in a non-medical STEM or business-related field at an accredited four-year college or university.

"American Water is thrilled to again offer the Inclusion and Diversity Scholarship, providing equitable opportunities for students across American Water’s national footprint to continue their education,” said Lori Sutton, Chief Inclusion Officer, American Water. "This scholarship supports the development of our future leaders and reinforces our unwavering commitment to inclusion, diversity and equity."

The I&D Scholarship will be administered through a partnership with Scholarship America®, the nation’s leading nonprofit scholarship and educational support organization.

American Water announced the inaugural class of I&D Scholarship recipients earlier this year. Ten students were selected out of 1,475 applications and received $10,000 through the scholarship. Awards are renewable up to three additional years or until a bachelor’s degree is earned, based on eligibility.

The I&D Scholarship is offered annually to eligible students through 2026, totaling over $1 million in awards.
