Belleville, Ill. (February 7, 2024) - Illinois American Water is delighted to announce the launch of the American Water Charitable Foundation 2024 Water and Environment Grant Program. To streamline the grant experience for its community partners, the Foundation has combined the state's former Environmental Grant Program with its [Water and Environment Grant Program](#). This strategic integration will strengthen the Foundation's charitable focus and impact across American Water's footprint.

"Our commitment to providing clean, safe and reliable water and wastewater service to our customers and communities includes helping to protect our water sources," said Rebecca Losli, President of Illinois American Water. "Collaborating with the Foundation on this grant program strengthens our ongoing commitment to environmental stewardship and bolsters our support for community partners engaged in watershed conservation efforts."

The Foundation invites community partners to apply for grants that promote clean water, conservation, environmental education, climate variability and water-based recreation projects. Applications will be accepted from organizations served by American Water and located in the following states, in addition to its Military Service locations: California, Hawaii, Illinois, Indiana, Iowa, Kentucky, Maryland, Missouri, New Jersey, Pennsylvania, Tennessee, Virginia and West Virginia.

"The American Water Charitable Foundation is proud to work collaboratively with Illinois American Water and launch the Water and Environment Grant Program, supporting impactful initiatives and programs across the nation," said Carrie Williams, President of the American Water Charitable Foundation. "Our charitable focus to Keep Communities Flowing empowers communities to learn how every drop counts while engaging local organizations on the importance of protecting this vital resource."

The Foundation supports three pillars of giving – Water, People and Communities. Since 2012, the American Water Charitable Foundation has invested \$15.5 million in funding through grants and matching gifts that positively benefit the communities where American Water and its employees live and work.
