American Water Participates in the Tenth Anniversary of Imagine A Day Without Water

CAMDEN, N.J. – OCTOBER 17, 2024 – American Water (NYSE: AWK), the largest regulated water and wastewater utility company in the U.S., supports the tenth anniversary of Imagine a Day Without Water, a national movement headed by the US Water Alliance. This day highlights the value of water in our lives and serves as a call to action for individuals, communities, and policymakers to advance greater and more equitable water investments.

For many Americans, the experience of living without water is a harsh reality, not just a hypothetical scenario. Addressing this issue requires sustainable and substantial investment in both infrastructure and the workforce to help ensure equitable water service delivery.

American Water has committed to investing $34 to $38 billion in infrastructure repairs and replacement, system resiliency and regulated acquisitions over the next 10 years and is an industry leader in providing of vital water and wastewater service across its national footprint.
