# American Water Announces Nationwide Employment Opportunities

CAMDEN, N.J. – OCTOBER 28, 2024 – American Water (NYSE: AWK), the largest regulated water and wastewater utility company in the U.S., announced today that it is seeking talented and dedicated professionals to join its team. These nationwide employment opportunities reflect American Water's commitment to providing clean, safe, reliable and affordable water and wastewater services to communities across the country. Positions cover various areas, including:

- Operations
- Engineering
- Environmental and Safety
- Information Technology

"At American Water, we are committed to building a workforce that reflects the diverse communities we serve. By joining our team, you will have the chance to make a meaningful impact on these communities," said Lori Sutton, Chief Inclusion, Diversity and Equity Officer & Vice President, Talent Acquisition, American Water. "These roles are not just job opportunities; they are pathways to making a meaningful impact on public health and sustainability. We invite talented individuals from all backgrounds to join us in our mission to provide safe, reliable, and equitable water services nationwide."

American Water is proud to offer a highly competitive total compensation package and great benefits. Interested candidates can view detailed job descriptions and apply online here.
