American Water Military Services Group Recognized by Florida Department of Environmental Protection with 2024 Wastewater Plant Operations Excellence Award

JACKSONVILLE, Fla. – MAY 2, 2025 – American Water (NYSE: AWK), the largest regulated water and wastewater utility company in the U.S., and American Water Military Services Group, announced today it was awarded the 2024 Wastewater Plant Operations Excellence Award at Naval Station (NS) Mayport, Fla. by the Florida Department of Environmental Protection (DEP). This recognition was based on overall treatment plant operation, maintenance, and compliance.

“American Water Military Services Group is honored to be recognized by the Florida DEP for its wastewater treatment plant operations at Naval Station Mayport,” said Sean Wheatley, President, American Water Military Services Group. “The award demonstrates our continued commitment to the military community. We are proud to provide drinking water and wastewater services to 18 military installations across the U.S.”

The award was presented at a ceremony during the *Focus on Change* seminar, hosted by DEP and the Florida Rural Water Association at Florida Gateway College, Lake City, Fla. in late March.

About American Water
American Water (NYSE: AWK) is the largest regulated water and wastewater utility company in the United States. With a history dating back to 1886, We Keep Life Flowing® by providing safe, clean, reliable and affordable drinking water and wastewater services to more than 14 million people with regulated operations in 14 states and on 18 military installations. American Water’s 6,700 talented professionals leverage their significant expertise and the company’s national size and scale to achieve excellent outcomes for the benefit of customers, employees, investors and other stakeholders.

As one of the fastest growing utilities in the U.S., American Water expects to invest $40 to $42 billion in infrastructure repairs and replacement, system resiliency and regulated acquisitions over the next 10 years. The company has a long-standing history of executing its core operations, aligned with sustainable best practices, through its commitments to safety, affordability, customer service, protecting the environment, an inclusive workforce and strengthening communities.

American Water has been recognized as one of Forbes 2025 Most Trusted Companies in America, in addition to being ranked first in the utilities industry category on Forbes America’s Best Large Employers List for 2024; recognized on Newsweek’s America’s Most Responsible Companies 2025 List; ranked on Barron’s 100 Most Sustainable U.S. Companies 2024 List; and named one of America’s Most JUST companies by JUST Capital and CNBC for its continued commitment to employees, customers, communities and shareholders.
