

New Jersey American Water Announces 2025 Volunteer Firefighter and EMS Grant Recipients

[New Jersey American Water](#) announced today the recipients of its 2025 Volunteer Fire and EMS Grant Program. This year, 22 volunteer fire and EMS departments located within the company's service areas have been chosen to receive grants, totaling approximately \$50,000, which will be used to support initiatives, training and/or upgraded equipment to help the responders better protect themselves and the communities they serve.

"New Jersey American Water's Firefighter and EMS Grant Selection Committee embodies the spirit of service, bridging our commitment to the company with our dedication to the communities we serve," said Jimmy Daniels, Senior Water Quality and Environmental Specialist for New Jersey American Water and volunteer firefighter. "Through our collective knowledge and passion for emergency services, we take pride in selecting grant recipients who will strengthen the lifelines of our communities."

This year's grants will be used in various ways by each department including purchasing gas meters, hoses, emergency lights, and other rescue equipment as well as important training courses and tools.
