

AMERICAN WATER CEO TO SHARE EXPERTISE AT 2025 MID-AMERICA REGULATORY CONFERENCE

CAMDEN, N.J. — JUNE 25, 2025 — [American Water](#) (NYSE: AWK), the largest regulated water and wastewater utility company in the U.S., is participating in the 2025 Mid-America Regulatory Conference (MARC), taking place June 22 through June 25, 2025, in Indianapolis, Indiana.

American Water President and Chief Executive Officer John Griffith will take part in the *CEO Roundtable*, which will focus on how critical infrastructure and utility service providers are adapting during a period of rapid change. Griffith will emphasize how American Water is fostering innovation while prioritizing customer affordability and maintaining public trust at the core of its mission.

“At American Water, we believe innovation, collaboration, and smart investments are essential to strengthening the critical services our customers and communities depend on daily,” said Griffith. “Through our participation at MARC, we aim to share best practices on how American Water continues to build resilient infrastructure, enhance regulatory partnerships, and deliver long-term value to customers.”

American Water plays a vital role in addressing infrastructure needs while advancing sustainable, customer-focused solutions. Through leadership participation in MARC, the company continues to engage in meaningful dialogue with regulators and industry partners to strengthen utility performance and public trust.
