Boil Water Advisory Lifted for Pennsylvania American Water's Pine Ridge System in Bushkill

Scranton, Pa. (Feb. 14, 2026) – Pennsylvania American Water announced this afternoon that the boil water advisory for customers in the Pine Ridge system in Bushkill has been lifted. Customers were notified on Feb. 11, 2026, of the loss of positive water pressure, resulting in the issuance of the boil water advisory. We are pleased to report that the current issue has been resolved.

This notice applies to approximately 1000 customer connections in the Pine Ridge system.

Samples were collected on Feb. 12, 2026, and Feb. 13, 2026, with acceptable test results received on Feb. 14, 2026. The Pennsylvania Department of Environmental Protection has authorized lifting the advisory.

Pennsylvania American Water thanks its customers for their patience and cooperation during this event. Customers are encouraged to share this information with others in the affected areas listed above.

For more information, visit www.pennsylvaniaamwater.com, and select Alerts, or contact Pennsylvania American Water's customer service center at 800-565-7292.

Please share this information with all the other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.

This notice is being sent to you by Pennsylvania American Water.
