

## Maryland American Water Proudly Recognizes American Water Charitable Foundation 2026 Water and Environment Grantees

*Recipients include two nonprofit organizations in Maryland*

BEL AIR, Md., April 28, 2026 /PRNewswire/ -- The [American Water Charitable Foundation](#), a philanthropic non-profit organization established by American Water (NYSE: AWK), the largest regulated water and wastewater utility company in the U.S., and Maryland American Water, today announce that two organizations were awarded a 2026 Water and Environment grant by the Foundation, supporting communities served throughout Maryland.

"We are so proud to be a 2026 Water and Environment grant recipient," said **Sara Ballesteros, Director of Development and Communications for Anne Arundel Watershed Stewards Academy**. "Our team is deeply grateful to the American Water Charitable Foundation and Maryland American Water for their continued partnership and commitment to our mission to train and mobilize community leaders to drive change for sustainable landscapes and clean waters. The grant will support our continued efforts to address water quality and reduce pollution in our local creeks and rivers."

The American Water Charitable Foundation awarded a combined \$75,000 to Anne Arundel County Watershed Stewards Academy Inc. and the Maryland Association for Environmental & Outdoor Education Inc.

"Maryland American Water is proud to recognize these two exceptional organizations receiving 2026 Water and Environment grants. Investing in education is investing in the future of our water and our communities, and both recipients are doing vital work to protect Maryland's waterways," stated **Laura Runkle, President, Maryland American Water**. "We are grateful for the American Water Charitable Foundation and share their commitment to keeping our communities and our environment healthy and thriving."

The Water and Environment grant is part of the American Water Charitable Foundation's Keep Communities Flowing Grant Program, focusing on three pillars of giving: Water, People and Communities.

"The American Water Charitable Foundation is delighted to support eligible non-profit organizations making a meaningful impact across Maryland," said **Carrie Williams, President, American Water Charitable Foundation**. "Funding for Water and Environment grants supports projects focused on clean water, conservation, environmental education, climate variability, and water-based recreation."
