Indiana American Water Completes Purchase of Community Utilities of Indiana's Water and Wastewater Systems, Part of Nexus Water Group Systems

GREENWOOD, Ind., June 1, 2026 /PRNewswire/ -- Indiana American Water, a subsidiary of American Water Works Company, Inc. (NYSE: AWK), the largest regulated water and wastewater utility company in the U.S. announced today the completion of its acquisition of **Community Utilities of Indiana** water and wastewater systems in Indiana from Nexus Regulated Utilities, LLC, a subsidiary of Nexus Water Group, Inc. ("Nexus Water Group").

The acquisition adds approximately 8,200 customer connections to Indiana American Water's footprint, serving communities including **Merrillville, Lakes of the Four Seasons, and Roselawn**. Additionally, Indiana American Water is welcoming to its operations approximately eight employees from Community Utilities of Indiana who have proudly provided water and wastewater service to these customers.

"On behalf of our entire team at Indiana American Water, we are delighted to welcome our new customers and new employees to the Indiana American Water family," said **Barry Suits, President of Indiana American Water**. "We look forward to serving our 5,300 new customers and helping to ensure a smooth transition by relying on the expertise of local employees who know these operations best. Our team is committed to providing safe, clean, reliable, and affordable water and wastewater services to the communities we serve."

On May 19, 2025, American Water announced its agreement to acquire Nexus Water Group systems in eight states across the U.S., highlighting benefits for customers and demonstrating the company's successful implementation of its core growth strategy as it creates value for customers, employees, and shareholders.

Approvals by applicable state regulatory commissions and governmental entities were finalized on May 21, 2026, and American Water completed the purchase on June 1, 2026.

Indiana American Water is committed to ensuring a seamless transition for its new customers, who will receive additional information in the mail in the coming weeks. The information is also available now on a new, dedicated webpage on the company's website under Customer Service and Billing.

New customers will be able to take advantage of Indiana American Water's robust customer service benefits, including its online account management portal, MyWater, as well as flexible payment options and customer assistance programs for qualifying customers needing help paying their bills.

Cautionary Statement Concerning Forward-Looking Statements
Certain statements in this press release are forward-looking statements within the meaning of the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Forward-looking statements relate to, among other things, anticipated capital investments and the ability to achieve certain benefits, synergies and goals

relating to the acquired operations. These statements are based on the current expectations of management of American Water. There are a number of risks and uncertainties that could cause actual results to differ materially from these forward-looking statements, including with respect to (1) the occurrence, in whole or in part, of the plans, benefits and synergies expected or predicted to occur as a result of the acquisition; (2) unexpected costs, liabilities or delays associated with the integration of the acquired operations; (3) regulatory, legislative, local or municipal actions affecting the water and wastewater industries, which could adversely affect American Water; and (4) other economic, business and other factors. Forward-looking statements are not guarantees or assurances of future performance or results, and American Water does not undertake any duty to update any forward-looking statement. The foregoing factors should not be considered to be exclusive.
