

# Pennsylvania American Water Completes Purchase of Community Utilities of Pennsylvania Systems, Part of Nexus Water Group Systems

MECHANICSBURG, Pa., June 1, 2026 /PRNewswire/ -- [Pennsylvania American Water](#), a subsidiary of [American Water Works Company, Inc.](#) (NYSE: AWK), the largest regulated water and wastewater utility company in the U.S. announced today the completion of its acquisition of Community Utilities of Pennsylvania's three water and three wastewater systems in Pennsylvania from Nexus Regulated Utilities, LLC, a subsidiary of Nexus Water Group, Inc. ("Nexus Water Group").

The acquisition adds approximately 3,300 water and 4,000 wastewater customer connections to Pennsylvania American Water's footprint. Additionally, Pennsylvania American Water is welcoming to its operations 10 employees from Community Utilities of Pennsylvania who have proudly provided water and wastewater service to these customers.

"On behalf of our entire team, we are delighted to welcome our new customers and new employees to the Pennsylvania American Water family," said President Justin Ladner. "We look forward to serving our new customers and helping to ensure a smooth transition by relying on the expertise of local employees who know these operations best. Our team is committed to providing safe, clean, reliable and affordable water and wastewater services to the communities we serve."

On May 19, 2025, American Water [announced](#) its agreement to acquire Nexus Water Group systems in eight states across the U.S., highlighting benefits for customers and demonstrating the company's successful implementation of its core growth strategy as it creates value for customers, employees and shareholders.

Approvals by applicable state regulatory commissions and governmental entities were finalized on May 21, 2026, and American Water completed the purchase on June 1, 2026.

Pennsylvania American Water is committed to ensuring a seamless transition for its new customers, who will receive additional information in the mail in the coming weeks. The information is also available now on a new, [dedicated webpage](#) on the company's website under Customer Service and Billing.

New customers will be able to take advantage of Pennsylvania American Water's robust customer service benefits, including its online account management portal, [MyWater](#), as well as flexible payment options and customer assistance programs for qualifying customers needing help paying their bills.
