

Boil Water Advisory Lifted for Pennsylvania American Water Customers in Parts of Norristown and Plymouth Township

ESTE INFORME CONTIENE INFORMACIÓN IMPORTANTE ACERCA DE SU AGUA POTABLE, HAGA QUE ALGUIEN LO traduzca PARA USTED, O HABLE CON ALGUIEN QUE LO ENTIENDA

NORRISTOWN, Pa. (July 8, 2026) – Pennsylvania American Water announced that the boil water advisory for 1,069 customer connections in parts of the Municipality of Norristown and Plymouth Township, Montgomery County, has been lifted. Customers were notified on June 6, 2026, of the loss of positive water pressure due to an equipment failure resulting in the issuance of the boil water advisory. We are pleased to report that the issue has been resolved.

Samples were collected on July 6 and 7 with acceptable test results received on July 8, 2026. The Pennsylvania Department of Environmental Protection has authorized lifting the advisory.

Pennsylvania American Water thanks its customers for their patience and cooperation during this event. Customers are encouraged to share this information with others in the affected areas listed above.

For more information, visit www.pennsylvaniaamwater.com, and select Alerts, or contact Pennsylvania American Water's Customer Service Organization at 800-565-7292.

Please share this information with all the other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.

This notice is being sent to you by Pennsylvania American Water.
