

Missouri American Water Announces Annual Firefighting Support Grant Program

ST. LOUIS, Aug. 3, 2026 /[PRNewswire](#)/ -- To show its continued commitment to community fire departments and local emergency management services, Missouri American Water announced today it is accepting applications for its Annual Firefighter Grant Program.

"Through this grant program, we are reinforcing our commitment to helping fire departments access the resources they need to continue serving and safeguarding the people who depend on them. Their dedication, courage, and commitment to public safety make a tremendous difference across our state," said **Rich Svindland, President, Missouri American Water**.

To qualify, applicants must complete an online application and be located within the company's designated service territories. Applications submitted should indicate a need for funds to cover costs associated with the following:

- Personal Protective Equipment
- Communications equipment
- Firefighting tools
- Water handling tools
- Training activities and materials

Applications will be accepted through August 31, and recipients will be notified in September.

Program information and the application can be found at missouriamwater.com > News & Community > Community Involvement > [Firefighter Grant Program](#).
