Boil Water Advisory Lifted for Customers in the City of Clairton in Pennsylvania American Water's Valley District

BOIL WATER ADVISORY LIFTED

MCMURRAY, Pa. (June 13, 2026) – Pennsylvania American Water announced today that the boil water advisory for customers in portions of the City of Clairton has been lifted. Customers were initially notified on June 7, 2026, following a loss of power to a booster pump station that resulted in a temporary loss of positive water pressure to a water storage tank. This issue has been resolved.

The boil lift notice applies to approximately 1,500 customer connections in the City of Clairton within Pennsylvania American Water's Valley District.

Acceptable test results were obtained from samples collected on June 11, 2026, and June 12, 2026.

Pennsylvania American Water thanks its customers for their patience and cooperation during this event. Customers are encouraged to share this information with others in the affected areas listed above.

For more information, visit www.pennsylvaniaamwater.com, and select Alerts, or contact Pennsylvania American Water's customer service center at 800-565-7292.

Please share this information with all the other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.

This notice is being sent to you by Pennsylvania American Water.
